ANNUAL REPORT FOR 1891.

Read at Winchester 6th May, 1892.

In presenting their Report for the year 1891, the Committee desire to express their gratification at the satisfaction which the proposal, carried at the last Annual Meeting, to increase the yearly subscription to seven shillings and sixpence, has given. One of the results has been greatly to improve the tone of the published Proceedings of the Club, and the first part of the second volume issued early this year has received highly favourable notice, both for its subject matter and illustration.

The interest in the Excursions of the Club is greatly on the increase, and the attendance at the meetings during the last season was larger than ever. Six whole day Excursions took place, and there was also a whole day Excursion to Selborne, in connection with the Geologists' Association; two afternoon botanical rambles; and an afternoon meeting at Twyford to view the remains of the Roman Villa there exposed. The Club contributed three guineas towards enclosing this interesting site, and also contributed five guineas to the Silchester Excavation Fund, in order to promote the explorations instituted by the Society of Antiquaries in 1890, and carried on for a second season during the past

year. The whole day excursions were to Hambledon, 14th May; St. Mary Bourne and Combe, 4th June; to Selborne, 13th June; to Bishop's Waltham and Botley, 25th June; to Newchurch, Knighton, and Arreton, Isle of Wight, on the 22nd July; to Silchester, on 27th August; and to Hursley and Farley Chamberlayne, on the 17th September.

The Committee desire to express their thanks to the Rev. Dr. White, of Hambledon, to the Rev. Canon Lee, of Botley, and to Professor Robertson, of South Lynch, who hospitably received the members, also to Mr. G. W. Colenutt, of Ryde, for arranging the Isle of Wight excursion, and to Dr. E. Buckell, of Romsey, for arranging botanical meetings.
