EDITORIAL

This Volume incorporates some of the changes recently suggested by members of the Society. A new cover design has been adopted, one based on an illustration from the Volume. *Reports on the Year* have been included to bring together a summary of the varied activities of the Society and its Sections. Finally, reference citation has been reorganised, employing the abbreviations shown below.

The Society is grateful for generous publication grants received from the following bodies: the Department of the Environment, Ancient Monuments Inspectorate (articles by Fasham, Collis, Millett and Hinton and Oake), Hampshire County Council (Fasham, Hinton and Oake and articles on historical topics), East Hampshire District Council (Millett and Meirion-Jones), the Twenty-Seven Foundation (Watts), King Alfred's College (Riall), St Swithun's School (Johnston), Southampton University Industrial Archaeology Group (Course), Avon Valley Archaeological Society (Light), and the City of Winchester (Matthews).

Articles intended for publication in *Proceedings* should be sent to the Hon Editors, c/o the Historic Resources Centre, 75 Hyde Street, Winchester SO23 7DW.
